The panoramic roads of Montenegro will take you through a magnificent nature, incredibly diverse landscapes and the rich cultural heritage of this remarkably compelling country. The four suggested routes will reveal landscapes ranging from the fabulous Adriatic coast to the wild and romantic mountains in the north of the country.

The "Crown of Montenegro" is the longest of our panoramic roads; it is more than 800 km long and will take you through the north and east regions of Montenegro, to protected natural zones and locations protected by UNESCO. The remarkable and fabulous mountain landscapes, authentic rural areas, high-quality homemade products and the traditional hospitality of the local population are the main characteristics of this mountain route.

Welcome to the "Centre of Montenegro" panoramic road. Your journey will start from Podgorica and go to Kolašin, the resort town in Montenegro. This is the largest of our panoramic roads, and it offers many opportunities to explore the beauty of Montenegro.

If you decide to take the whole route, you will see the beautiful views of two mountain parks, and two UNESCO World Heritage Sites. The panoramic road will take you through the beautiful Montenegro landscapes. You will have the opportunity to enjoy the breathtaking views of the mountains, the valleys, and the rivers.

The panoramic road is strictly for local use, and it is closed to all other types of vehicles.

THE ZETA VALLEY

The panoramic road continues from Zabljak through the Zeta Valley to Podgorica. You will pass through the town of Plužine, which is known for its beautiful views of the Zeta River.

After Plužine, you will enter the town of Kolašin, which is a popular ski resort in Montenegro.

The road will then take you to the town of Bijelo Polje, which is known for its beautiful views of the Tara River.

The road will then take you to the town of Petrovac, which is known for its beautiful views of the Cetina River.

The road will then take you to the town of Bar, which is known for its beautiful views of the Dinaric Alps.

The road will then take you to the town of Cetinje, which is known for its beautiful views of the Cetina River.

The road will then take you to the town of Podgorica, which is known for its beautiful views of the Tara River.

The panoramic road will end at the international airport in Podgorica.
